

<p>1. Make a fact file about a favourite fruit saying what country does it grow in and how it gets here.</p>	<p>2. Choose a continent and write some facts about what it is like eg: countries in it, flags of the countries, climate, food.</p>	<p>3. Choose an ocean and find out what creatures live in it and draw a picture of your favourite one.</p>
<p>4. Choose a sea creature and make a fact file about it.</p>	<p>5. List all the foods that are grown or produced here on a farm. How do they get to the shops?</p>	<p>6. Research how food is transported around the world. Can you describe the journey of one food?</p>

Literacy:

A rhyming string is a list of words that rhyme. Can you continue the rhyming strings?

bed, fed, head,

pull, full,

bee, me,

Can you make up some more of your own?

Maths:

Take two square pieces of paper, two circular pieces of paper and two rectangular pieces of paper.

Model folding one of each into four equal parts and the other into four non-equal parts.

- Which shapes show equal parts? Which do not?
- How many equal parts can we see?
Can we fold any of the shapes in a different way and still get equal parts?

Count the equal parts and then model counting them in quarters.

Tick the shapes that show quarters.
