

Homework Grid - Year 1 Summer Term 5 - Oceans and Seas

Choose **one** of the six ideas below to do as your Topic Homework for this term.

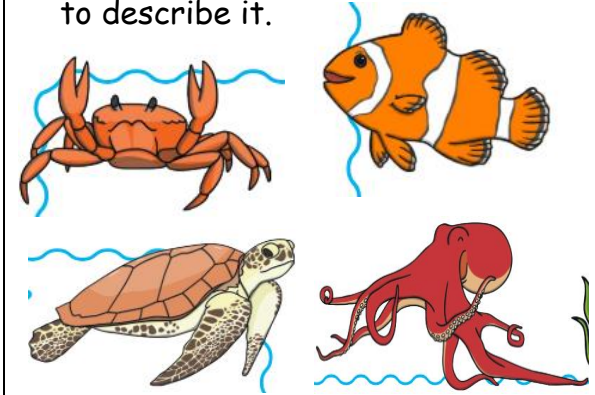

1. Create a fact file of your favourite sea creature. You can draw pictures or print photos then use words to describe and give facts about it.

 <p>Starfish</p> <p>Starfish live...</p> <p>Starfish eat...</p> <p>Starfish survive...</p>	 <p>Starfish eat...</p>	 <p>Jellyfish</p> <p>Jellyfish live...</p> <p>Jellyfish eat...</p> <p>Jellyfish survive...</p>	 <p>Jellyfish eat...</p>
--	--	--	---

2. Do some research on one of the world's Oceans and Seas. Create a fact sheet about it - Name, location, climate, size, creatures etc

3. Draw or paint a picture of one of the Sea creatures below. Colour in your picture and write some words to describe it.

4. Create a model or a collage based on the sea / ocean and creatures.

5. Do some research on pollution and how this affects our seas and oceans. Present this as a poster to show why pollution is bad for the planet.

6. Visit the seaside with your family or friends. Take some photos, draw and write about what you did there. Describe what you can see, hear, smell and touch.
