

REGISTER OF PUPILS' ATTENDANCE/ATTENDANCE POLICY

September 2017

ATTENDANCE POLICY

BACKGROUND

‘Under Section 36 of the Education Act 1944, parents of children of compulsory school age are required to ensure that they receive efficient full-time education, whether by regular school attendance or otherwise. In most cases children attend school. Parents are thus primarily responsible for ensuring that children attend, and stay at school. It is the responsibility of the school to support attendance and to take seriously problems which may lead to non-attendance’.

From School Attendance, policy and practice
On categorisation of Absence DfEE 1994.

This statement makes clear that school attendance is a partnership – the parents (or guardians) have a legal duty to send their child(ren) to school, or make satisfactory alternative arrangements, and schools have the responsibility of supporting parents by close and regular monitoring of attendance.

Parents should ensure:

- children arrive on time
- children are properly dressed
- children are in a condition to learn
- that any reason for absence is reported as soon as possible
- that they know The Academy’s arrangements for notifying absence

The Academy should ensure:

- a prompt start to The Academy day
- a suitable learning environment
- that The Academy’s attendance policy is known and available to all parents
- that all messages reporting reasons for absence are passed to the right person

REGISTRATION

‘Under Regulation 3 of the Pupils’ Registration Regulations 1956, all schools (other than independent schools for boarders only) must keep an attendance register on which at the beginning of each morning and afternoon session, pupils are marked present or absent’.

From School Attendance, Policy and Practice
On categorisation of Absence – DfEE 1994

The 1956 regulations were amended in 1991 by requiring all absences of compulsory school aged students to be categorised as authorised or unauthorised. These Regulations also allowed for the keeping of computerised registers of attendance.

Manuscript registers must be marked in ink and any corrections made in such a way that the original entry and its correction are both clearly distinguishable.

Both annual and computerised registers must be kept for a period of three years.

'Approval: The Directors/Governing body of the Academy can delegate to the headteacher the keeping of the attendance register. The register can be kept and updated daily by appropriate school staff.'

THE EDUCATION WELFARE SERVICE

LEAs have a legal responsibility to enforce school attendance for children of compulsory school age; where attendance is irregular and gives rise for concern the LEA can apply to the courts for an education supervision order and the parents can be prosecuted.

Medway LEA employs Attendance Advisory Practitioners to help them carry out their statutory duties. Attendance Advisory Practitioners will make home visits and assess the problem in the wider family context.

SCHOOL POLICY

Attendance

Children are expected to attend The Academy daily. They are expected to arrive at the start of The Academy day no later than 08.50 and not before 08.40, unless they attend breakfast club which opens from 08.00 every morning.

Lateness

Students who arrive after 08.50 will be marked with an L for being late. For the afternoon session students should be in The Academy by 12.30 for KS1 and FS2 and 1.30 pm for KS2. If they arrive after that time they will be marked late.

Children arriving after 09.30 will be marked with a 'u'. This is recorded as arriving after registers close.

In responding to lateness the Headteacher will take into account individual circumstances and where there are genuinely unavoidable problems, the appropriate adjustments will be made to the register.

Absence

Reasons for absence must be reported in person or telephone on the first morning by the child's parent or guardian so that the message can be passed to the class teacher. If this is not received The Academy will phone the parent to find out the reason for absence. If there

is no reply or we are unsure about the reason, the Headteacher or Family Liaison Officer (F.L.O) will visit the home to ensure the safety of the child.

Absences will be assessed by The Academy as authorised or unauthorised, according to classifications set down by the Department for Education.

All notes and messages will be retained for the duration of the child's time at The Academy.

Staff will put a remark at the end of each week in the register if a child has been absent and they know the reason why.

MARKING THE REGISTER

Attendance Register

Children who are present between 08.50 and 09.10 will be marked with a diagonal line (blue or black).

Children who arrive between 09.10 and 09.30 will be marked with a blue or black L in the red circle.

Children who are absent

Any child returning to The Academy without a note will be given one of The Academy's absence notes. If after a period of one week they do not hand in an absence note, then they must be marked in the register as an unauthorised absence. The F.L.O. monitors the attendance and takes appropriate action. At the end of The Academy year staff will have a final total of authorised and unauthorised absences which will be put on the end of year reports.

Absence Notes

Notes handed in explaining absences will be signed by the class teacher and left in the register. They will be given to the Headteacher who will read and decide if the note means the absence is authorised or unauthorised. The Headteacher will also sign the note. If the Headteacher decides a note does not satisfactorily explain the absence he will inform the class teacher that it is an unauthorised absence.

Telephone Messages

If a member of staff takes a telephone message concerning a child's absence they will make a note in the book held in the office and put it in the appropriate register or give it to the appropriate class teacher. The parent will be asked to provide a note anyway over the phone, but The Academy will use the telephone message if necessary.

CATEGORISING ABSENCE

Absences are either authorised or unauthorised.

Under Section 199 of the Education Act 1993 the parent of a child of compulsory school age registered and failing to attend regularly is guilty of an offence punishable by law. However, an offence is not committed if it can be demonstrated that:

1. The pupil was absent with leave (granted by any person authorised to do so by the Directors)
2. the pupil was ill/prevented from attending by unavoidable cause.
3. the absence was on a day exclusively set aside for religious observance by the religious body to which the child's parents belong.
4. the school at which the child is registered is not within walking distance of the home and the LEA have made no suitable arrangement for any of the following:
 - transport to and from school
 - boarding accommodation for the child at or near the school
 - enabling the child to register as a pupil at a school nearer to home
 - a limited defence is also available to parents of Traveller children

The tables following place absences in the two categories of authorised or unauthorised and are intended to be used for quick reference. If doubt remains then isolated cases will be decided following new regulations referenced in the DfE document

PARENTAL NOTES	Usually authorised, Parentally condoned unjustified absence can be a problem – only The Academy can approve absence. If no satisfactory explanation is given absence is unauthorised
ILLNESS MEDICAL/DENTAL APPOINTMENTS	Authorised – where a pupil is present for registration and is collected by parent during the session – no action necessary
LATENESS	Marked according to policy.
MINDING HOUSE/SIBLINGS	Unauthorised

FAMILY BEREAVEMENT	Authorised – respond sensitively to request Where pupil remains absent for longer than agreed period investigate/ use discretion to continue authorising

HOLIDAYS	The Department for Education (DfE) has amended the regulations governing requests for holidays in term time. With effect from 1 st September 2013, amendments to the Education (Pupil Registration) (England) Regulations 2006 make it clear that Headteachers MAY NOT grant any holidays or other absences during term time unless there are exceptional circumstances, and reserves the right to fine parents accordingly if holiday is taken without authorisation.
RELIGIOUS OBSERVANCE	Authorised
TRAVELLER	Special dispensations. May authorise where The Academy is satisfied that family migrates after giving reasonable intention to do so and to return. Where traveller children are known to be on site and registered at The Academy but are not attending, the matter will be dealt with in the normal manner.
EXCLUSIONS	Authorised

TRUANCY AND PROLONGED ABSENCES

Each member of staff will check their register regularly for patterns of absence that could suggest truancy. This could be a pattern such as every Friday the child is absent or that over a period of 1 week there appears to be no reason for the absence. The class teacher will inform the Headteacher or Family Liaison Officer (F.L.O) who will contact the parents to find out why the child is absent.

The school F.L.O. will check all the registers once a month to see if there are any individual or family patterns of absenteeism evident.

The F.L.O. has a monthly meeting with the A.A.P. to discuss any problems and when necessary there is a surgery where the F.L.O. and A.A.P. meet any parents who are having problems getting their child to The Academy. If this informal meeting does not work then the A.A.P. will receive an official referral from The Academy.
