Challenge -

I have 75p to spend at the shop. If I buy a magazine for 35p how much money do I have left?

Literacy - In Literacy we are continuing to read our story of *Charlotte's Web*. This week we are comparing different characters in the story.

For your homework, compare the characters Wilbur and Templeton. Think about different adjectives you can use to describe the characters and write some sentences about them. Think about the ways that the characters are different to one another.
