1. Research what remains of Ancient Egypt today, can you create a leaflet to advertise a trip to Egypt to visit some of these important places?

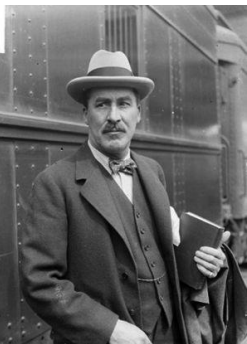

2. How did the Ancient Egyptians write to each other? Can you try and use this type of writing yourself? You could stain your paper to make it look ancient too.

3. Can you research 3 Egyptian gods? What can you find out about these gods? Can you present this in a creative way?

4. Can you investigate some of the famous men and women who studied the Kingdoms of Egypt and made some exciting discoveries? Create a fact file about 1 (or more) of these famous archeologists.

5. Create a model of an Egyptian temple, sphinx, pyramids or something else that you have researched. You could use any art medium: junk modelling, clay, lego etc

6. Draw or trace a map of Egypt and mark on the important landmarks.
