

Homework Grid – Year 6 Term 1 – Geography - Map Skills
Choose one of the six ideas below to do as your topic homework this term.

1. Create a Travel Brochure

You can choose a country you would like to visit and create a travel brochure. You should include information such as key attractions, cultural facts, and geographical features.

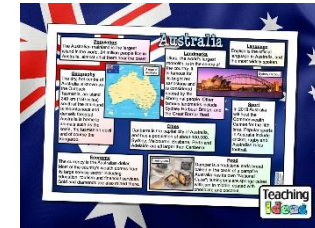

2. Map Your Journey

Plan a journey from school or home to a chosen destination using a maps (this could be online). You could print out or sketch the route, highlighting key geographical features and distance measures along the way.

3. Geographic Fact File

You could research a continent or country and create a fact file that includes key geographical facts, population statistics, and cultural highlights.

4. Postcard from Another Place

You can write a postcard from a geographical location of your choice, detailing your location using geographical terms, your experiences and observations. You can decorate the postcard with drawings or digital art relevant to their chosen area.

5. Climate Change Awareness Poster

Focusing on how geography affects climate, you may research a specific geographical region impacted by climate change and create an informative poster to raise awareness. Include statistics, images, and proposed solutions to the problem.

6. Creative Writing

You may want to create a piece of writing based on the theme of maps or journeys. It could be a narrative, diary entry or a letter. Use your imagination and showcase your writing skills.
