

# Improving descriptions

Can you make the descriptions below more interesting? Rewrite each paragraph, replacing the adverbs and adjectives in bold with more interesting ones.

Felix looked at his **untidy** desk glumly. There was a **big** plant in the corner, **slowly** creeping over the **untidy** stack of books next to it. A **big** photo of Felix on holiday was displayed in a **nice** frame. It stood on top of the **hard** science homework that was due tomorrow. Felix decided to tidy up.

.....

.....

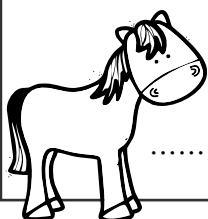

.....

.....

.....

The **tall** grass felt **nice** under Amira's bare feet. She danced **happily** across the field to the **nice** horse in the corner. She patted the horse's **big** nose and presented him with a bunch of **nice** flowers she had picked. The horse sniffed at them **happily** and then gave a **loud** whinny of approval.

Can you make the descriptions below more interesting? Rewrite each paragraph, replacing the adverbs and adjectives in bold with more interesting ones.

Felix looked at his **untidy** desk glumly. There was a **big** plant in the corner, **slowly** creeping over the **untidy** stack of books next to it. A **big** photo of Felix on holiday was displayed in a **nice** frame. It stood on top of the **hard** science homework that was due tomorrow. Felix decided to tidy up.

E.g. Felix looked at his cluttered desk glumly.....

There was a colossal plant in the corner, tentatively..

creeping over the disorderly stack of books next to it.....

An enormous photo of Felix on holiday was displayed in.....

an ornate frame. It stood on top of the fiendish science.....

homework that was due tomorrow. Felix decided to tidy up.....

The **tall** grass felt **nice** under Amira's bare feet. She danced **happily** across the field to the **nice** horse in the corner. She patted the horse's **big** nose and presented him with a bunch of **nice** flowers she had picked. The horse sniffed at them **happily** and then gave a **loud** whinny of approval.

E.g. The towering grass felt amazing under Amira's bare feet.....

She danced joyfully across the field to the friendly horse in the.....

corner. She patted the horse's broad nose and presented him.....

with a bunch of fragrant flowers she had picked. The horse.....

sniffed at them contentedly and then gave a.....

thunderous whinny of approval.....
