

Hello, I am Mrs Carroll and I am looking forward to being the teaching assistant in Foxes class this year.

I love to spend time doing arts and crafts, but more recently I spend a lot of my time cooking and baking. My daughter has just finished training to become a chef, so we love to cook together, she does the main dinners and I do the desserts.

I enjoy going to London and enjoy the theatre as I love musicals. The last one I saw was the Lion King it was my 3rd time of seeing it.

This year my family and I are going on a cruise in the summer break. We get to visit 9 different countries. We are even going to be doing a traditional cooking class in Greece. My family consists of 2 sons and a daughter.

We have 2 cats called BeBe and Alaska. BeBe is a black cat, and Alaska is almost completely white except part of her tail is black.
