

Welcome to Foxes Class

All about Foxes

Welcome to Foxes Class, our wonderful Year 3 family where curiosity and kindness grow every day! In our classroom, we love to learn together through exciting lessons, creative activities and thoughtful discussions. We show resilience by trying our best, even when things feel tricky, and we practise empathy by caring for and supporting one another. Through reflection, we build self-awareness, helping us understand how we learn best, while taking pride in all our achievements, big and small. We always aim for excellence, encouraging each other to do our very best, and we use clear communication to share ideas, ask questions and work as a team. Above all, we value togetherness, creating a warm, happy classroom where everyone feels safe, included and ready to shine.

All about Mr. Slack

There is chance you have seen me around the school, as I can be quite loud and talkative! I love a classroom full of fun, laughter and curiosity. I live in Gillingham with my wife and 2 boys, Noah and Theo, who are 7 and 4. In my spare time, I LOVE football and gaming, as well as reading and walking my dog. I like the colour blue and (you may see some clues in the classroom) I am a big fan of *Star Wars*! I hope we have a great year this year, and May the Force be with you!
