All about me:

Teacher

My name is Mrs Field, and I have been working at this school in different capacities for the past 23 years. I live in Gillingham with my husband and son. I have three children, Stephen, who is 35 years old, Josie is 33 and Eloise is 31. I also have three Grandchildren, Victor-Markus, Skylar-Rose and Georgia. My favourite colour is green. I love reading at home and walking. During most of the holidays I spend caravanning across England and Wales which is when I get to see my daughters and their children. Weekends I enjoy spending time with my husband and son.
