

All about me- Mrs Costidell

Hi all, I am Mrs Costidell,

I am a fun, caring and kind person. I absolutely love my job and do my very best to make each child's day a little bit brighter.

I am a great listener and pride myself on understanding how children are feeling. I will help anyone I can. I live at home with my husband and my 2 sons. My eldest son goes to Robert Napier and my youngest is in year 1 here at Woodlands.

I love singing, dancing, cooking and sewing (I have fixed a few school jumpers that haven't made it through the school day). I enjoy sitting with the class helping and joining in with the work. I am really looking forward to getting to know the new Badgers class.

See you soon !
