

Welcome to Wolves Class

All about Wolves

In Wolves class, we are confident learners who support one another by working collaboratively and talking through challenges to find solutions. We believe teamwork helps us achieve our best, as we share ideas, listen to each other and work together to succeed. We enjoy taking part in practical, hands-on activities and love going outside to deepen our learning. We take pride in our achievements and celebrate the diversity that each of us brings to our class.

All about Mrs Willis

This year I am excited to be teaching Wolves class again and getting to know you all. My name is Mrs Willis, and I have a passion for learning and trying new things. I love Formula 1, reading a good book, and travelling to new and interesting places. One of my favourite things to do is spend time with my family, having fun and making special memories together. I am really looking forward to all the fun and learning we will share this year!

All about Mrs Adams

A little bit about me!

I have worked at our wonderful school for many years and have enjoyed lots of different roles.

My favourite times table is 6x6 is 36 !

I am often to be seen wearing a scarf even in the summer, and more often than not, they feature Robins (my favourite bird)!

I love cooking, gardening, reading and enjoy quiz nights with colleagues.

I am a season ticket holder at "the Gills" but my team has always been Liverpool !

I love spending time with my family and we enjoy lots of days out together !

I am looking forward to meeting all the new Wolves children soon!
