

Welcome to Falcons Class

All about Mrs Wood

My favourite subjects are Maths and PE! I enjoy watching and playing many different sports including Netball, Football and Tennis.

I love to travel, to see and learn about different places and countries in our world. My dream destination would be to visit Sri Lanka and see elephants in the wild.

I have 2 sons, we love to spend our weekends outdoors and when the weather is sunny, we head to the beach!

All about Miss Roberts

My favourite lessons at school are History and English.

I love to cook and bake, and I make a very good lemon drizzle cake.

My very favourite place in the world is Lake Garda in Italy. I have been there twice and would love to go again. I especially love Italian food, particularly the ice-cream and pizza!

I have a grown-up son and two little dogs; a cocker spaniel called Lucy and a miniature dachshund called Rolo.

All about Miss Griffiths

My favourite subject at school is maths, I love helping children develop their confidence with their numbers too!

In my spare time, I enjoy keeping fit and going to boxing classes. I also enjoy travelling the world with my family, especially going on city breaks and exploring new places!

My favourite meal would be a Sunday roast!

I have a lovely dog called Bella, who loves cuddles and spending time with our family on a walk!
