

Welcome to Fireflies Class

All about Fireflies

In Fireflies Class, we foster empathy by caring for each other, animals and the environment. Through hands on experiences and exploration, we spark imagination, enhance our communication skills, creativity and collaboration.

All about Mrs Lawrence.

I've always taken great pleasure in nurturing and guiding young children during their early years. I cherish the opportunity to support their growth, watching them gain confidence, self-esteem, resilience, and forge strong relationships. I'm sure we will have the most amazing journey!

Outside of school I enjoy spending time with my family, reading, taking the dog for long walks by the river and traveling the country and beyond to watch my youngest daughter play 'Ice Hockey'.

My eldest daughter followed in my footsteps and after going to university she too became an Early Years Teacher!

All about Miss Collingwood

This will be my 3rd year working in reception at The Academy of Woodlands and I'm really excited to meet everyone and go on lots of adventures together!

I have two little girls of my own who attend the school and three cheeky cats at home too. In my spare time I enjoy visiting festivals with my family and taking my girls out on various day trips. I love the community aspect and togetherness of our school and try to help out at as many FOAOW events as I can.

Fun fact: I once shaved my head to raise money for the MS Society.
