

Welcome to Ladybird Class

All about Ladybirds

In ladybirds we are happy and caring. We love to learn, explore and have fun together. Every day is filled with exciting discoveries, creative activities and new challenges that help us grow in confidence and independence. We are kind and respectful, always looking after one another and celebrating each other's achievements. In Ladybirds we learn through play, curiosity and teamwork, making every day an exciting adventure!

All about Mrs Cross

This year I am new to Woodlands Primary Academy and I'm very excited to meet you all. My name is Mrs Cross, and I live in Walderslade with my husband and 3 Children Lexi, Daisy and Alfie. My favourite colours are pink and green; I love anything leopard print! I enjoy music, singing, going to concerts, shopping and travelling to new countries. At the weekends I like spending time with my family and friends and walking my sausage dog Dave. I know we are going to have so much fun this year!
