

# WELCOME TO KINGFISHERS

Hi Kingfishers,

I've heard all about you and I'm so excited to be joining the Woodlands Family in September!

Let me introduce myself...

My name is:

*Miss Warren*

This is a picture of me

I have been teaching for Seven Years. Six of these were at a lovely little Primary School called St Thomas of Canterbury. I have also spent a fantastic Year teaching English at Rainham School for Girls.

This year, we will work hard to create a happy classroom where everyone can be themselves and feel like they belong. I'm most excited to find out all about you but until then, here are some facts about me:

- I have a dog called Ted (who loves causing mishchief).
- My favourite sport is football and I have recently joined a local team.
- I am the eldest of four. I have two sisters who are 11 and 17, and a brother who is 24.
- I can't wait to meet you!
