05<sup>th</sup> July 2022

Dear Parents and Carers

**IMPORTANT INFORMATION – FIT FOR SPORT**

As the contract with 'Fit for Sport', which is the wrap around and holiday care provider we use for our families at the Academy of Woodlands, is coming to its yearly evaluation, it has given us an opportunity to review the provision and take into account recent parental feedback about this service.

We have been given the option to be able to take this provision back in-house and revert back to our own 'WASPS' wrap around care from September 2022. This will also enable us to control the cost of this provision and timings too. Although Wasps will not automatically have holiday care included, Rick Austin, Arts and Sports Manager, is very positive about sourcing other providers to enable this to still take place until we can look into running holiday provision.

After speaking with some families and the members of staff at the Academy, we have decided that this is the best option for all of us moving forward.

We are excited to have this provision back in-house to support our families and we are thrilled that all of the Fit for Sport staff will be remaining with us on this journey.

More information about booking systems (School Activity) will follow as well as updated costs and timings.

We hope that you are as happy as we are about this service coming back in-house and I want to thank all our families in advance for their support with this change which ultimately will support all the children at The Academy of Woodlands.

Kind Regards

Mrs E Poad  
Interim Headteacher
