

Welcome to Beetles Class

All about Mrs Field – Class Teacher

I have worked in all key stages, in various year groups and have been at the school for over 20 years. I have watched the school grow from one form entry to three form entry.

I am married and have three children, 1 boy and 2 girls. I have three grandchildren, who are also 1 boy and 2 girls.

I love to read and enjoy a wide variety of different genres. I also enjoy going fishing whilst touring in my caravan and visiting historic buildings.

All about Miss McCandless – Teaching Assistant

I have two children, a girl and a boy. I have not been at The Academy Woodlands for long, coming up for 2 years in October 2025. I have had different roles in schools like a one-to-one teaching assistant and have worked in the catering side.

I also love to read, and enjoy encouraging children to read. I like subjects like history and science.
