Dear Parents and Carers,

We would like to inform you about the updated homework expectations for Year 6 pupils, which will commence in Term 3. Setting homework plays a vital role in reinforcing the skills and knowledge learned in class, as well as helping children prepare for secondary school and the homework expectations, they will encounter next year.

### **Homework Schedule**

- Homework will be handed out every **Friday** and should be submitted on or before the following **Wednesday**.
- Each week, pupils will receive one piece of Maths and one piece of English (which may include reading or spelling, punctuation, and grammar tasks).

### **Accessing Homework**

Each child will be given a homework book to complete their homework. The homework will be set electronically and can be found on our school website by navigating to:

**Pupils → Homework → Year 6**

### **Homework Club**

If your child encounters any challenges with their homework, please do not hesitate to inform a member of the Year 6 team. During Tuesday lunchtime, children will have the chance to attend homework club in Kestrels Class. This will provide a quiet environment for children to complete their homework or it can be used for children to discuss any tasks.

### **Expectations**

Children are expected to try their best. If they are finding the task difficult, this can be addressed during Homework Club. In addition to the homework set, regular reading at home remains essential.

Thank you for your continued support in helping your child succeed.

Kind regards,  
*The Year 6 Team*
