Dear Parents/Guardians,

Your child/children may have spoken to you about Accelerated Reader and the quizzing that they have been doing as part of this at school.

We have begun to introduce myON which is the digital reading platform arm of Accelerated Reader. Children are able to access this using the same login details as they use to login to Accelerated Reader. If your child is unsure of what these are then please speak to their class teacher.

The link below contains information about myON.

Some children prefer reading on a tablet or laptop and reading on here will still count towards their four times a week reading target. Please continue to log any reading they do on myON in their reading contact book as you have been doing.

Your child's teacher may also be sometimes setting assignments for children to do on here so please look out for these as well.

Thank you and kind regards

Miss Roberts
