Dear Parents and Carers.

The cold weather is here!

We wanted to recognise that mornings can become a bit more challenging at this time of year. We know many of you will already have your winter routines sorted, but we thought it might be helpful to mention a few things that some families find useful during the colder months:

- Allowing a few extra minutes in the morning for things like defrosting the car.
- Getting school clothes, bags, and coats ready the night before.
- Adjusting morning routines slightly to accommodate the extra time needed.

We understand that mornings can be hectic regardless of the season, and every family manages things differently. These are simply suggestions that might help make the winter term run a little more smoothly. We'd also like to remind you that we have a range of morning clubs available such as our free breakfast club from 8:00am, WASPS breakfast club (paid) from 7:30am and our Early Birds Club from 8:25am.

If you require any resources to help or would like to know about our Early Birds Provision please do let us know.

Thank you for your continued support.

Yours sincerely,

Mr Adekoya  
Assistant Headteacher
